2. Present at the meeting, in addition to yourself, will be Frank Ecker from the BOB, [] Colonel Beerli, John McMahon, and myself. Although Mr. Bross had indicated an interest in coming, I do not believe he is cleared for most of our special projects, and [] said he would attempt to deflect Mr. Bross from coming. He also indicated that he would be in touch with you after you had filled out a form with which I am not familiar, which would enable him to discuss this matter with you. I hope you have a mental note of Mr. Bissell's FY 66 DPD figure of []
